

HD Creative Workshop Projects Summer & Fall 2013

These are the projects we will be working on through the end of the year. Please note sizes, as these are important, and some are at the request of the recipient. If there is only a limited number needed, it is also specified. Some of them have a specific time we will be giving them, so please note that.

If you need patterns, please let us know. There are patterns or links to patterns available on the website: hdcreative.org Sometimes people will bring patterns to share during our Creative Workshops! If you can't find what you're looking for, please ask! When you finish making an item, please bring it to the next Creative Workshop.

Please feel free to use your imagination! You may use fabric (sewn, quilted) or yarn (knitted, crocheted). You may use different colors, styles, patterns; everyone has enjoyed the variety!

	<u>Wheeler Mission:</u>	Size	# Needed
1	Warm Hats, scarves, mittens / gloves (for fall/winter)	adult
